**We are delighted to announce that the 23<sup>rd</sup> edition of the ‘*International Circus Festival of Italy*’ will take place on October 13 - 17, 2022.**

The much-awaited 23<sup>rd</sup> edition of the *International Circus Festival of Italy* will take place from October 13<sup>th</sup> to 17<sup>th</sup> promoting, as always, Circus and live performance arts.

This event, just like every year, will revolve around a competition between **top performers selected from all five continents**, who will perform and compete in front of an **International Technical Jury** made up of illustrious Circus and live performance experts, and a **Critics Jury** composed of journalists and celebrities from the performance world.

The Festival’s highest awards, the ‘Latina d’Oro’, the ‘Latina d’Argento, and the ‘Latina di Bronzo’, will be awarded on **October 17<sup>th</sup>**, during the **final evening of the Festival**.

The ‘Giulio Montico Cultural Association’ considers this a great way to contribute to the beginning of our return to normality, after many difficult months on a global scale, via the magical world of the Circus, unique in its ancient traditions, and with its capacity to thrill and delight people all around the world.
