THE MUCH-AWAITED POSTER FOR THE 24th EDITION IS SIMPLY SPECTACULAR

The superb oil painting on which it is based is once again a work by Elena Zaïka.

With a month to go until the début of the Festival, we are delighted to reveal the amazing poster of the 24th edition of the International Circus Festival of Italy. Elena Zaïka has created masterpieces for the Festival every year since 2014: her paintings are full of vivid colours, and represent the best of traditional circus: acrobats, clowns, and animals. All enclosed in a magical, dreamlike dimension where the meeting of people, the celebration of beauty, and the pursuit of pure pleasure find their home. The poster also represents the complexity involved in the production of this event, made possible by important international partnerships, the numerous patronages of local authorities, and the fundamental support of the Ministry of Culture.
