Con una tradizione artistica più che secolare, la famiglia messicana Fuentes Gasca è un'icona del Circo in America. Depositari di una cultura di spettacolo ricca e vivace, così come proprio dei canoni dell'America Latina, i fratelli Gasca registrano da decenni il sold out ad ogni loro rappresentazione. La terza generazione artistica dei Fuentes Gasca ha già al suo attivo numerosi primati al trapezio, nella sua declinazione più tradizionale: i *volanti*. Con tale disciplina parteciperanno all'imminente 25^a edizione dell'International Circus Festival of Italy nel segno dell'amicizia tra i popoli e le nazioni.

With a more than century-old artistic tradition, the Mexican Fuentes Gasca family is an icon of the Circus in America. Repositories of a rich and lively entertainment culture, as well as the canons of Latin America, the Gasca brothers have been selling out each of their performances for decades. The third artistic generation of Fuentes Gasca already has numerous records under its belt on the trapeze, in its most traditional declination: flying trapeze. With this discipline they will participate in the upcoming 25th edition of the International Circus Festival of Italy in the sign of friendship between peoples and nations.
